

TRILL Author Agreement

The Linguistic Society of America ("LSA") is pleased to have the privilege of publishing your contribution (the "Work") in its peer-reviewed teaching resource channel, TRILL: Teaching Resources and Innovations Library for Linguistics ("TRILL" or "Digital Library") within the LSA Resource Hub. This License Agreement sets forth the terms and conditions regarding the inclusion of your Work in TRILL.

You retain all copyright rights in and to the Work. You grant LSA a non-exclusive, perpetual, worldwide, and royalty-free right and license to display, copy, publish, distribute, transmit, create derivative works or otherwise use the Work, and to make the Work available to others via the Digital Library. You will select a Creative Commons license and add an indication of the selected license to all teaching materials included in the Work. Users of the Digital Library who download your work are bound by the terms of the selected Creative Commons license.

You hereby waive any claims that you may have against the LSA relating to the use of your Work, your name and/or your biographical information by the LSA and others. You hereby waive any claims that you may have against the users of the Digital Library relating to the use of your Work when used in accordance with the terms of their User Agreement.

You represent and warrant that the Work is original to you, or, if portions are not original to you, that you have the necessary permissions to authorize you to grant these licenses to the LSA and users of the Digital Library. You also represent and warrant that the Work does not violate any law or infringe the rights of any third party, including, without limitation, that the Work shall not constitute copyright or trademark infringement, violate the rights of privacy or publicity, or defame any person or entity. You agree to indemnify, defend, and hold harmless the LSA, its officers, directors, employees and agents, as well as any users of the Digital Library that use your Work, for all damages, liabilities, costs and expenses (including reasonable attorneys' fees) that may arise relating to a claim that you breached any of the foregoing representations and warranties.

In addition, all persons who use or publish TRILL resources are required to abide by the [LSA's statements of values](#), including but not limited to [the LSA Ethics Statement of Ethics](#), as amended from time-to-time, the terms of which are incorporated into and made part of this Agreement.
